

Where to Eat & Drink Al Fresco in Aspen This Summer

By Jessica Kasparian | May 25, 2017 | [Food & Drink](#)

Enjoy the summer season by dining outside at some of Aspen's best spots.

A wraparound patio perched above town is the perfect setting for a mouthwatering burger complete with in-house beef and onions battered in a flour mixture of cayene, paprika, and garlic powder. Try out Aspen Kitchen's Saltbrick Burger while you lounge at the outdoor bar. *515 East Hopkins Ave., 970-300-4525*
